

It's June Dairy Month! Co-op Credit Union is seeking tasty dairy-filled recipes to include in a special cookbook!

Submission period to run: June 8th through June 12th

Open to: Adults 18 and older

CCU will select the top 40 recipes for inclusion in a June Dairy Month cookbook to be sold at our branch locations. Money raised through cookbook sales will be used to donate to a dairy and/or agriculture-friendly community cause/s.

No purchase necessary to enter. The contest is open to the public. Limit 1 entry per person. Co-op Credit Union employees, their immediate family members and Board of Directors are not eligible to submit recipes to the contest.

1. Recipe entries must be original to the person submitting the entry and not to their knowledge taken from a published and copyrighted cookbook.
2. Submit recipes electronically by e-mailing: ccu@coopcu.com
3. Include the title of the recipe, all ingredients and instructions for making the recipe, in addition to your name, your e-mail address and your phone number.
4. By submitting a recipe, the person submitting the recipe grants a permanent non-exclusive license to CCU to use the submitted recipe for purposes of inclusion in the cookbook for this charitable purpose. The recipe author will be credited by first name and municipality of residence.
5. Co-op Credit Union reserves the right to make minor edits to the recipe chosen for the cookbook for grammar or punctuation purposes.

Submission period runs June 8th through June 12th, 2020.

Recipe submissions will be judged by CCU employees who will make the recipes and utilize a judging rubric that evaluates the number of dairy ingredients included, taste, appearance and consistency. More points will be awarded for how many dairy products are included in the recipe; taste, appearance and consistency will be ranked on a scale of 1-5 points.

Those who have provided one of the top 40 recipes will be contacted via e-mail to inform them that their recipe will be included in the cookbook.

The titles of the top 40 recipes will be announced via social media the week of June 15th, 2020. Cookbook development will take place in June and sold in branches during late June and early July.
