\$10,000 over four years to the All-Abilities Playground at the Lunda Community Park in Black River Falls, for the construction of the new playground.

\$10,000 over four years to the Trempealeau County Fair, for the construction and remodel of the show arena and the grandstand.

President's Message

At the 85th CCU virtual Annual Meeting in March, we had the privilege of sharing the Credit Union Difference and the financial and operational status of Co-op Credit Union. It provides a great reminder that CCU is secure and well positioned to persevere through any circumstance.

Since January of 2022, our certificate rates have grown significantly – making 2022, the year of the saver! CCU continues to remain competitive to offer you the best rates possible. It is never too late to start your savings journey and we are here to help in the process. Any of our knowledgeable and friendly Member Account Representatives would be happy to answer any questions you might have or help you open a certificate!

In the era of technology, cybercriminals often take advantage of world events to prey on your emotions and we tend to see an uptick in financial scams. Cybercriminals may take advantage of your sympathy by pretending to need financial assistance. They may try to manipulate your emotions by spreading misinformation in the form of emails, text messages, or social media posts. To better protect yourself, avoid making donations to unknown users and be wary of social media usernames that only consist of random letters and numbers. If you would like to donate to support a cause, donate directly through a trusted organization's website. CCU has services available to help protect you from cybercriminals, as well as, services to help repair your identity if you become a victim. For more information, go to our website or call 800-258-0023.

As always, thank you for your confidence and trust, and allowing us to serve you, no matter where you are in life. Enjoy the spring season!

Thanks for your business!
